3. (Unclassified - JSW) At the request of Senator Richard B. Russell, the Director, accompanied by Messrs. Colby, [redacted] and Warner, met with Senators Russell and Saltonstall for a briefing on Africa and Viet Nam. See Memo for the Record for details.

4. (Internal Use Only - JSW) Martin Cramer, Bureau of the Budget, telephoned in connection with the amendment made on the floor of the House to our early retirement bill requiring prior approval by the Chairmen and ranking Minority members of the Committees on Armed Services in the House and Senate. Cramer indicated the Executive Branch position on such language was sufficiently strong, that in all likelihood if it remained, they would recommend Presidential veto. We then discussed possible rewording to meet congressional desires and still be acceptable. Cramer added, of course, that the BOB would prefer that the entire amendment be stricken. We will consult further on this.

5. [redacted] Dorothy Fosdick telephoned and gave me the substance of a letter which Senator Jackson might wish to send to the Director but is offering the Director the opportunity to say that he would rather not have it, that this is the Director's view. We will pick up the letter first thing Monday morning to discuss with the Director.

6. [redacted] After checking with [redacted] DD/S&T, I made an appointment to meet with Representative James D. Weaver next Thursday in response to the Congressman's query concerning what has happened to the former members of Werner Von Braun's team who were taken behind the Iron Curtain by the Soviets.
